Lion Dr. Patti Hill Campaign Goal In Sight

Most of you will have heard that International President Naresh Aggarwal has announced that the International Executive Officers have endorsed the candidacy of Lion Patti for 3rd Vice President at the International Convention in Milan, Italy July 5 – 9, 2019.

We now await the endorsement of the International Board of Directors in April 2018 and the successful election by the delegates attending the Milan 2019 convention. Now is the time for every club in MD C to develop a plan of support for your chosen voting delegates to attend this historic convention and cast your club vote for our outstanding candidate for this high office.

We now have the ultimate goal in sight, now is the time to recognize our financial commitment, now is the time to mobilize every member in support of Lion Patti. Every member should be wearing a Patti for VP pin; every club should be planning a campaign fund raiser. Remember the "Bean and Bun Night",

conduct an in-club raffle at every meeting between now to July 2019, make a personal or club pledge over the next 3 years.

Visit the dr patti hill website <https://lions4patti.wixsite.com/drpatthill> to follow the journey.

District Governor Kris' notes

Happy New Year Lions

This new year started with me visiting the Stony Plain Lions Club with Alberta Beach and Wabamun in attendance. I also attended the Spruce View 40th Charter night. The charter night was a good time for all and I received the Fellowship Outhouse. The Fellowship Outhouse is to have clubs who have the outhouse to visit other clubs to pass it on. The outhouse has now been delivered to the Devon club so please be aware that you just might receive the Fellowship Outhouse when they visit. I have other visits in the next few months and if your clubs wish for me or my DG Team to visit please let me know and I will try to schedule a visit.

I would like to remind clubs that now is a good time to determine your executive for next year. Clubs are still not entering their activities whereby only 8% of 110 clubs are reporting and membership reporting is also very low.

The MD Convention in Leduc, May 4-5, will be here before we realize and all clubs should be making plans to have members attend.

January Membership Anniversaries

5 Years: Ian Ainsworth (Clive), Geoff Besler, Arden Lohner and Andre St. Pierre (Edson), Jason Field (Killam), Dixie Tyndall and Donna Hopper (Ponoka), Patricia Beaudoin (Stony Plain)

10 Years: Joann Babineau (Stony Plain)

15 Years: Harland Johnson (Athabasca), Ken Pohl (Edmonton Millwood's Breakfast)

20 Years: Tim Bowles (Beaumont and District), Vernon Wilson (Rocky Mountain House)

30 Years: Glenn Runzer (Leduc), Carol Kassian (Thorhild)

35 Years: PDG Ted Dupilka (Athabasca), Larry Bogath (Leduc), Tom Ford (Rimbey)

45 Years: James Davidson (Oyen), Dale Winsnes (Ryley)

The Stony Plain Lions just prepared 338 school hot lunches. They prepared the food one afternoon and put it in containers the next. The lunches were then frozen and will be handed out as needed over the next few months. Hard at work: PDG Ron Wackenhut, Herb Reinhart, Judy Lamb, Herman Lubbers, Lynda Wackenhut, and Joan Lubbers.

Multiple District C Convention Notes

In order to avoid any confusion for those Lion members and guests wishing to attend the convention the correct address for the Executive Royal Hotel is 8450 Sparrow Drive Leduc, Ab not Nisku, Ab.

To further promote the convention I would like to share with the clubs of District C-1 and C-2, our entertainment for the Friday evening banquet and mixer. To kick off the convention and set the stage for a fantastic evening we will have a live show featuring Jeff Newman a professional world class entertainer performing his unique brand of magic. Please refer to the following web link for additional details.

Lastly, the Lions Club of Leduc is looking forward to hosting a successful and well attended MD convention and I would remind the clubs Early Registration ends on April 1st, so please get your registration's in as soon as possible.

Thanks for your consideration & let me know if you have any questions !!!!

WANTED - Eyeglasses of All Sorts

Due to Processing Elevated numbers of eyeglasses (900,000 pair to 92 Countries in the last 2 Years), CLERC's supply is in need of an infusion of more glasses. The ratio is one pair of glasses are recycled for every pair of useable glasses, which means that we went 1.8 Million pair to achieve these lofty totals. We are asking All District C-1 and C-2 Lions Clubs to collect and ship all the glasses that they might have, as well as provide us with pick up locations, contact name, and address and phone # and email of where the drop off boxes are located, as we are building an Eyeglass drop off data base. Please drop off glasses at Optometrists who have drop off boxes. Lions Clubs please check out shipping boxes via Day and Ross Transport at www.clerc.ca, or contact us via email. Thanks for all that YOU do to make this Eyeglass Initiative a Success!
