## From the desk of DG Terry Kozma

Fellow Lions, as I write this month's DG Message, the signs of spring are starting to show. Tonight, sunset will be at 6pm, the sun is shining, the weather is nice, and people are even wearing light jackets. Except for my neighbor who is out and about in cargo shorts, t-shirt and flip flops. Definitely an optimist.

But that is what we are like here in north and central Alberta, B.C. and Yellowknife. We look for the best. And I am seeing that all around our great Lions District as I travel and meet with you. As of this morning, for the fourth month in a row, our District is showing positive membership growth. This is a testament to all your hard work in your communities and clubs. It reflects the excellent job you are doing bringing in new members and giving them something meaningful to do. And it reflects how well you are accepting not just the new members, but the new ideas and methods they are bringing to your club and your service to your communities. It is never easy when you bring in new voices and ideas. It can be hard work for everyone both new and old members to mesh together those differing ideas and cultures (and yes, every club has its own club culture). But you are doing it. And for that I thank you. It is part of what makes our organization so great. It is a large reason why Lions has become and will remain the largest and most responsive service organization in the world.

We are now entering the spring season and that is a period of rebirth. We are electing our new executives for our clubs, working on new projects, and getting ready for the upcoming Lions years. So, I would ask you to ensure that your reporting is up to date, both for membership, service and most importantly of all, your new executive. Remember, even if your executive is not changing, we still need you to report your officers. At 11pm MDT on June 30, any club that has not reported their new club office will lose access to MyLCI. You will not be able to report the officers in July, you will not get those all-important communications from Lions about things that are happening. Even your DG will only have restricted access.

## LERF Update – LCIF Matching Grant

Donna Bong and her team of technicians at the Eye Institute of Alberta are currently testing the most-advanced ultra-wide imaging camera – the CLARUS 700. This leading-edge equipment takes clear, sharp, high-resolution pictures without causing discomfort to patients. It is also easy to use. Both staff and patients are excited to soon have the CLARUS 700 on site at the Royal Alexandra Hospital.

In 2003, Lions Club members in Edmonton and across northern Alberta established the Lions Eye Research Fund (LERF) with the goal to support the Eye Institute of Alberta and the Department of Ophthalmology at the Royal Alexandra Hospital. Since then, the progressive collaboration between the Lions Clubs of Alberta and the Royal Alexandra Hospital Foundation has been successful in soliciting funding for priority equipment, education, and innovative programs. On November 3<sup>rd</sup> last year, Lion Neil Gourley presented the latest LERF fundraising project at the District C-1 Lions Clubs convention in Devon.

The current project of LERF is to fundraise for the CLARUS 700 from Zeiss, the most advanced ultra-wide imaging camera currently available.

The cost of this camera is approximately \$160,000.00. It produces extremely clear, sharp, high-resolution pictures in true colour, which enables physicians to detect subtle changes of the retina, including tumors, retinal tears, and other diseases or infections without causing stress or discomfort to patients. Previous editions of the District C-1 newsletter have featured this fundraising campaign, as well as an introduction to the camera, and the goal of submitting a matching grant application to the Lions Clubs International Foundation (LCIF) in support of the CLARUS 700.

Together, members of the LERF committee and staff of the Royal Alexandra Hospital Foundation (RAHF) prepared the matching grant application of \$80,000.00, and Lion Neil presented it to the District C-1 Cabinet at the Devon Convention. The Cabinet approved the submission of this grant application, and District Governor Terry Kozma signed and endorsed it. The members of LERF and RAHF officially submitted the grant application to the LCIF at the end of November 2019. District Governor Terry recently received confirmation of the approval of the matching grant application. Terrific news indeed!

With the support of many donors, including several Lions Clubs Chapters, LERF and the RAHF have exceeded 50% of their fundraising goal of \$80,000.00 to match the LCIF grant. A special Thank-You goes to the Edmonton Millwoods Lions Club for their generous donation of \$25,000.00 in support of this important piece of equipment. To tip the scales, further support from the District C-1 Lions Clubs would be greatly appreciated. With your direct involvement, the Eye Institute of Alberta could soon have the CLARUS 700 on site to provide more advanced and faster treatment to those who suffer from retinal infections and diseases in Alberta and beyond.

& Nina Muster, Royal Alexandra Hospital Foundation

## GRANDE PRAIRIE LIONS CLUB FUND FOR MENTAL HEALTH

Our club has partnered with the Community Foundation of Northwestern Alberta to provide support for mental health. The purpose of this fund will be to support mental health and wellness projects and programs where mental healthcare is available for all citizens to access. The Community Foundation works to inspire philanthropy locally by providing a way for anyone to leave a lasting legacy to our community through permanent endowment building, responsible grants and leadership to meet our community's needs for today, tomorrow and forever.

Those interested in donating to the fund can do so by clicking on the following link.

## LEDUC LIONS - GOING GREEN

The Lions Club of Leduc is celebrating the completion of a 628 two-sided panel solar array. Double sided panels take advantage of the sun's reflection on the snow to maximize output. The panels will generate approximately 216KWAC of power which will go directly into the grid. The array is located at the Leduc Lion's Campground and RV Park

The array was funded with a substantial grant from the province. The club provided the space.

Lion Ron Pollock said a few words thanking our sponsors and officially opened the Garden.

The garden includes a gate, garden mound with Lion Thor proudly on top and a gazebo which holds a bench and a table. The gazebo will be the future home of plaques that describe the history of the campground, Lions in Devon and Lions around the world. Lion Thor was a gift from the Thorsby Lions club as a thank you for sponsoring their club. He is extremely popular with the younger crowd.

## DISTRICT C-1 SERVICE CO-ORDINATOR

It's hard to believe there are only four months left in this Lionistic year! Where has the time gone? It seems when you're doing good things in your community, time just flies. Thank you to all the clubs that have scheduled at least ONE new service activity this year. That's the goal of International President Dr. Jung Yul Choi, that every club hold ONE more service activity this year. It's still not too late! Four months to go. Let's end this year on a high note, and have your community benefit even more from your endeavours. Personally, I believe true Service comes from your heart. So what Service can you do in your community that tugs on the heartstrings? Is it helping the less privileged, children, seniors, persons with disabilities, people confined to hospitals or care centres? Service doesn't have to have a cheque attached to it. Just being there to make a difference in someone's life, the one bright spot in their day, the person to talk to, the person to laugh with, maybe even the person to cry with. That is Service from the heart and something every community needs.

Lions in Canada celebrate 100 years in 2020! Have you got your Centennial project for your community planned yet? I hope you'll make it something special and memorable as a lasting reminder of your Service in the community. I'd love to hear what your club has planned for the Centennial. Please email me, [davensuzie@shaw.ca](mailto:davensuzie@shaw.ca), and I'll include your project in future newsletters. One of the Centennial goals across Canada is to plant 100,000 trees. Where could your community use more trees? Parks, playgrounds, walking trails, boulevards, memorial parks, campgrounds, schoolgrounds, etc? The powers that be, are trying to make this service project very cost efficient for both clubs and communities to take part in. Start the conversation with your community leaders to get them excited about

taking part. Let them know it's one of the ways WE SERVE our communities! More details on acquiring trees will be out in the very near future.

It's not often I've had the opportunity to say something good and exciting about MyLion. As we already know, the challenges have been many! However, I would sincerely like to thank LCI's Global Action Team and IT personnel, for listening to clubs concerns and challenges with MyLion. I think the changes made to the NEW MyLion make it soooooo easy to report your service activities and volunteer hours. I hope the club Secretaries and/or Service Chairs had the opportunity to view one of the webinars I passed along on a previous email. If you haven't watched it, but would like to, let me know and I'll pass on the link.

Finally, I'd like to thank all the clubs in the District that have been reporting their service and activities on MyLion, especially those clubs who haven't reported in some time and are now back at it. Reporting is part of your responsibility as a Lion. Not only does it help your club keep track of your volunteer hours, it helps Lions Clubs International know how much time members are giving to their communities worldwide. These numbers help LCI show prospective partners the dedication of our membership and the unmatched funding and aid distribution system of Lions. Future partnerships could find that cure for diabetes, could find that cure for childhood cancer, and will certainly make life much better for so many around the world. Where there's a need, there's a Lion, and right now we NEED clubs to report their activities and volunteer hours. If you are having challenges with reporting or have any questions, please email me at [davensuzie@shaw.ca](mailto:davensuzie@shaw.ca), and I'd be happy to help out.

Yours in Lionism  
Lion Dave Leshchyshyn

## Lions Project Pride

Lions Project Pride is a program for Canadian Lions Clubs. If your Lions Club chooses to participate, you will express to your community the pride your club has in Canada and in being a Lion.

Across the country, Lions Clubs have the opportunity to express their own pride in their community and country, as well as instill a level of pride in the country's young people.

Lions Clubs who wish to participate in this program contact local school officials requesting permission to visit schools or visit with classroom teachers to present a Canadian flag (15.5cm x 25.5cm; 6" x 10") and a Project Pride certificate to Grade 1 students. The certificate, in English or French, describes the diversity of our country and the pride we have in being Canadian.

Lions Clubs from British Columbia to Newfoundland are participating in this project and are sharing their community and national pride with over 40,000 students each year.

*Be a proud Lion, participate in  
Lions Project Pride.*

*A project of  
Lions Foundation of Canada*

## Involve Your Club!

- Contact your school superintendent or principal, requesting permission for a member of your club to visit each Grade 1 class to present a Canadian flag and certificate to each student. (The month of June is preferred)
- Determine the total number of flags and certificates that you will require.
- Complete and return the order form (attached) with cheque payment.
- Receive your flags and certificates and share your Lions Pride!

## Prepare for Your Visit

What will you tell the students when you visit?

Here are some ideas;

- Who you are
- Your Lions Club Name
- What Lions do (Leo programs, youth activities, etc.)
- Purpose of your visit
- The importance of Canada Day
- The Maple Leaf emblem (Try sharing the story of our flag)
- Discuss the flag

Things to Remember

- Make constructive comments
- Encourage discussion
- Present flags
- Ask the teacher to print the student's names on the certificates
- Read Certificates
- Remember a flag for the teacher!
