## Next Newsletter Submission

**Deadline: November 28**

## From the desk of DG Chanpriti (Prince) Baweja

Over the past month our district has been through its first virtual convention and chartered a new club, Blindman Valley Lions Club. As well we celebrated Thanksgiving. We have many more positive reports than negative this past month. More clubs are finding new ways to serve our communities. I encourage you to share and collaborate with others.

Please remember to enter your service on MyLion as every bit helps. If you need help, please reach out to your zone chair or your District Governor Team. We are all able to assist. Right now, only 1/3 of our clubs are reporting. Please make this a priority.

I also encourage you to actively participate in Campaign 100 and make your donations to **Lions of Canada Fund for LCIF**. Look into helping our causes. As noted at the convention over the past few years our district and multiple district have received more funds than we have donated. Our own Lions Vice President Dr. Patti Hill is on the executive committee and needs our support. Even a \$5 donation makes a difference. Any and every amount helps. If that is all we did, we raise almost \$10,000 from our district alone.

My last bit for you is that many clubs have not paid their dues. They are still outstanding and **MUST** be paid before December 31, 2020. Starting Jan 1, 2021 LCI will be putting clubs on notice and suspension. Let us not get to that point. All our clubs have members pay dues so this should not be an issue. LCI was generous to allow for a deferral of dues for those clubs in need. This was not a waiver of dues. Please ensure that you are acting on this matter.

Have a safe and blessed November.

*Yours in Lionism DG Prince*

## CAMPAIGN 100 CONTINUES ON!

As many of you are aware, LCIF has extended Campaign 100 until June 30 2022 in response to the challenges we face during the pandemic. I know many of you are struggling to continue your service in your communities as well as raise funds. But more and more we see Lions stepping up, as we always do, to find new ways to serve. And we are finding new ways to have fun while serving and fundraising.

We are still working to achieve our Campaign 100 goals. In our District, 33 clubs have donated over \$88,000.00 to the Campaign since it started. That is fantastic but I know we can do better, because I know the Lions in our District.

Campaign 100 is our biggest fundraiser yet and it was intended for one purpose: to exponentially enhance your ability to increase your service and enhance our causes. But we need you.

So how can you help? Ask your members to help. They can donate online at the Lions of Canada Fund for LCIF. Or, if you are meeting in person as some clubs are doing once again, you could have mini fundraisers at meetings (make them fun or even silly). Has your club awarded a Melvin Jones Fellowship lately? Do you have funds on deposit with LCIF towards a Fellowship? If so, how much more would it take to top it up to that magical \$1000.00us?

Maybe your club is approaching Maple Leaf Club or Model Club levels of donations, but you don't even know it. Don't panic. I will be in touch!

Every little bit helps. If your club has never donated, whatever you can do helps no matter how small. If you donate every year, either as a club or personally, thank you so much. Either way we cannot do it without you.

Upcoming: what the heck is the Community Enhancement and Impact Grant.

*IPDG Terry Kozma,  
District C 1 LCIF Coordinator*

## HERE IS A MEETING IDEA

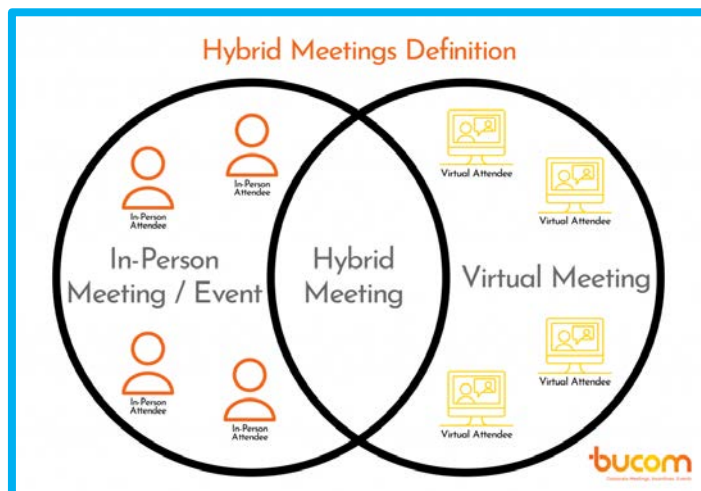

Many clubs moved into the virtual world to continue their meetings and service. Zoom has become a common word used on a daily basis. As the pandemic evolves, some clubs are starting to meet in person once again and some clubs are meeting using a hybrid approach.

The hybrid approach allows members who do not want to meet in person to still attend the meeting virtually and engage in the club activities. Many clubs reported they were experiencing higher attendance rates meeting virtually. Members who hadn't attended meetings are now showing up and participating. Keep these members engaged by continuing to meet virtually while meeting in person.

To help you figure out how to hold a virtual meeting, The Rotary Club recently issued a guide to hybrid meetings. This guide has diagrams showing the equipment needed (which is minimal) and how to set it up for maximum effect. Surprisingly it can be done with a laptop or two, wifi, and a smart phone or webcam.

### FORT SASKATCHEWAN LIONS CLUB

On Thursday, Sept. 24 the Lion's Club presented three young students with the Lion's Legacy \$1000 scholarship towards their academic careers.

The three Fort Saskatchewan students to receive the scholarship were Lindsey Bettac, who will be attending NAIT to obtain a Bachelor of Business Administration, Karissa Goulding, who will be attending MacEwan University to pursue a Bachelor of Science in Nursing, and Theodore Wozney, who will be attending MacEwan University to work on a Bachelor of Science.

### BLINDMAN VALLEY LIONS CLUB

### REFRESH LOCKHART HALL'S FIELD OF DREAMS

Situated 10 minutes South of Rimbey is the Lockhart Halls own Field of Dreams. Built in 1904 the Calkins Valley school, which is currently flanked by cornfields, honestly has one of the nicest ball diamonds in the area. Popular with locals, it has seen its fair share of activities. Many have hosted their family reunions, weddings and camping parties at this beautiful country location. There has been lots of memorable ball games held within its baseball diamond. Sadly, this property has had its share of vandalism that seems to be so rampant these days. The old school house is no longer in use, however, the grounds on which it resides is still quite popular. It continues to hold numerous events over the years. Noticing the rusty rails, desperately in need of some attention, the members of the Blindman Valley Lions club gathered together in late September. With the generous support of supplies from The Evergreen Co-Op and armed with paint brushes, power tools, wire brushes and a lot of elbow grease this Lions club restored this community treasure. It is once again a sparkling reminder that with a little love and attention everything can look a little brighter.

## EDMONTON MILL WOODS LIONS CLUB

has sponsored one more scholarship/award in post-secondary education. This time, the Club is sponsoring a \$2000.00 yearly scholarship to an incoming 3rd year student in the BBA Finance Program at NAIT (Northern Alberta Institute of Technology). This award is to encourage students to further their education in the field of Finance and recognize their academic pursuit and involvement in their communities. Lack of financial literacy by Canadians is well known. The Government of Canada has several initiatives to raise the financial literacy bar. This scholarship is a small step towards encouraging the millennials to take up education in the field of Finance and to further their knowledge and understanding in financial literacy.

Earlier, the club had sponsored a \$1500 yearly scholarship through ACIFA ( Alberta Colleges and Institutes Faculty Association) to encourage research in Scholarship of Teaching and Learning (SoTL). SoTL is an emerging research field in post secondary education that seeks to understand or improve teaching and learning.

## EDMONTON HOST LIONS CLUB

Eye-glass Sorting Event

For vision month some of the Edmonton Host Lions Club members gathered together to sort eyeglasses collected from various optical shops. Lions 3<sup>rd</sup> VP Dr. Patti Hill, Al, John, Greg, Harry, Lois, Bernie, Marshall, Janet and Sharon (visiting from Edmonton South Edmonton Lions Club) participated in the event. Thank you to Lion Harry and Lion Greg for their help in showing us how to sort and prepare glasses to be shipped to Canadian Lions Eyeglass Recycling Centre in Calgary. The eleven boxes we packed contained 1398 pairs of glasses, 375 pairs of sunglasses, 30 pairs of children's glasses, 10 pounds of broken glasses, 8 pounds of lenses and 2 hearing aids. Not only does this help to supply glasses to people in third world countries, but the materials in the broken eyeglasses and lenses are also recycled and reused.

*Lion Janet Robinson, Service Chairperson*

## ST. ALBERT HOST LIONS CLUB

Thank you to St. Albert residents for donating over 3,710 pairs of used eye glasses in the past year. Thanks also to the many local business outlets that so willingly partner with the St. Albert Host Lions, by having our Lions Used Eye Glass Recycling boxes in their stores to help make collection of these donations possible. Together you have contributed to the people in third world countries that will benefit from "your gift of vision". Example - one pair of glasses can enable a Dad to go back to work because now he can see and earn to feed his family. The impact is massive and you have made a difference in people's lives.

October 2020

My Fellow Lions/Lioness/Leos:

We need your financial support! As we watch educators and students adapt to learning in a pandemic, we know the incredible cost to their social emotional well-being. The need for Lions Quest programs has never been greater. Our staff adapted quickly, and we are now able to deliver our Lions Quest training online. Whether the program is taught virtually or in a traditional classroom, Lions Quest is helping our young people.

*Teaching virtually using your Kindergarten lessons was extremely successful because each lesson is easily adaptable to the individual differences among students and engages them through stories, connections, and inquiry questions.*

Denise Sonegra, Elementary Teacher  
McCaskill's Mills Public School, Cannington, ON

*Waywayseecappo School decided to use Lions Quest as a school wide social skills resource because we wanted a program that could be used by all teachers for all students with plans, ideas for delivery and was proven to improve student outcomes. We also use the Seven Teachings in our school and realized we can combine this with Lions Quest. Training all the teachers was a priority and we are grateful this was able to be done in our school. The parents and community are part of Lions Quest and we hope to create a stronger relationship with them through the program.*

Troy Luhowy, Principal  
Waywayseecappo Community School, Rossburn, MB

Every donation from \$25 to \$5,000 is appreciated and makes a difference. The power of the Lions family joining together to invest in our young people is what counts and we are confident we will reach our \$150,000 goal this year. In most municipalities, funds raised from gaming/lotteries/bingo can be donated to Lions Quest Canada as we are a charitable organization. We will not be holding a promotional contest in 2020-21 as we are just wrapping up the one from last year and the winners will be announced in a few weeks.

It's often said that "it takes a village to raise a child" – our role at Lions Quest Canada is to help raise the "village". Thank you in advance for your thoughtful consideration of our request to support this award-winning initiative, one of Lions Clubs International's signature youth programs.

Yours in Lionism,

PID Jack Isaman  
Chair, Board of Directors

# COVID-19 ALBERTA HEALTH DAILY CHECKLIST (FOR ADULTS 18 YEARS AND OLDER)

## Overview

This tool was developed to support schools, activity organizers, employers, businesses and facility operators in reducing the risk of transmission of COVID-19 among attendees/staff. The tool is meant to assist with assessing attendees who may be symptomatic, or who may have been exposed to someone who is ill or has confirmed COVID-19.

Attendees should complete this checklist prior to participating in the activity or program.

If an individual answers **YES** to any of the questions, they **must not** be allowed to attend or participate in the activity or program. \*Individuals with fever, cough, shortness of breath, runny nose, or sore throat, are required to isolate for 10 days per [CMOH Order 05-2020](#) **OR** receive a negative COVID-19 test and feel better before returning to activities.

Use the [AHS Online Assessment Tool](#) to determine if testing is recommended and follow information on [isolation requirements](#).

As the COVID-19 pandemic continues to evolve, this screening tool will be updated as required.
