## From the desk of DG Chanpriti (Prince) Baweja

Greetings fellow Lions. As we go into the holiday season there are many who need our help more than ever. With the current state of our country and situation we must adapt how we serve. There have been many great suggestions that have been put forward. Whether you do diabetes or vision screening, feed those in need, pack food at the food bank, or provide services to those who are shut in, keep up the good work. Please report your service as well. If you are still having challenges in reporting online, please reach out to our DG team or our District Service Chair, Dave Leshchyshyn.

Many of our clubs are challenged for funds and doing fundraising. One of the options that you have available to you as a non-profit organization, the federal CEBA program has been opened to us. The link is <https://www.wd-deo.gc.ca/eng/20065.asp>. You apply through your bank and many clubs are reporting success in receiving funds. This provides for up to \$40K with up to 25% being forgivable. Please read up on the website for details. On top of this, there are provincial funds also available for you to access. Please use your sound judgement and utilize the resources available to you.

Our district has also put together a committee for our centennial project. Do you have a suggestion or idea? Want to participate? Please reach out to me and I will make sure that it gets to the committee.

Lastly, Mandeep and I want to wish you all a safe and peaceful holiday season. Spend time with your loved ones whether it is in person or virtually. I would also ask you to reach out to someone you have not been in contact with for a while. God bless and be well.

*Yours in Lionism DG Prince*

## CAMPAIGN 100 CONTINUES ON!

On January 13, Lions around the world will celebrate the birthday of Melvin Jones. He will be a sprightly 142 years young! Why do we care? Because without Melvin Jones, there would be no Lions. Our world would be a much smaller and sad place because Lions make a difference. And one of the ways we make a difference is through our own charitable organization, Lions Clubs International Foundation. LCIF was founded by Lions for Lions as a way for us to raise money for our charitable work around the world.

So how can you and your club help? PIP Judge Brian Stevenson has issued a challenge to all clubs in our area: To celebrate Melvin Jones' 142<sup>nd</sup> birthday, he is asking that clubs consider giving a Melvin Jones Fellowship to a deserving member or citizen in their community. You could present the MJF on January 13 as a birthday gift to our organization. Some clubs actually have funds on "deposit" with LCIF that would partially fund the Fellowship. They just need a little more to bring the funds up to the \$1000.00 US level (approximately \$1350.00 CAD). If you need to know if that is the case for your club, please contact either your Zone Chair or me. We will ensure you get your balance if any.

In addition, PIP Gudrun, as the Chair of LCIF, has a contest to celebrate Melvin Jones birthday. This is a photo contest where Lions send in pictures of themselves with their Melvin Jones plaque or pin, or of themselves doing a Vision project or a youth oriented project, both areas of primary focus for Lions and LCIF over many years. Details are in a separate article in this newsletter. I look forward to seeing all of your smiling faces. Please note that the vision and youth photos can be from previous years. We are celebrating our service over the years.

Take care and stay well. I hope you all have a happy and healthy holiday season.

*IPDG Terry Kozma,  
District C 1 LCIF Coordinator*

Merry Christmas and a Happy New Year

Lions and LEOS, I bring you Holiday greetings from your Council of Governors.

During this Holiday season, we reflect on the true meaning of Christmas. We are thankful for our blessings, where we live in the world, and our families and friends. We are blessed to have a second family called Lions.

Together we unit to Serve others, bring joy to those less fortunate, and make a difference within our home communities. Many of our local food banks need our help, especially at this time of the year. I would ask all Lions and LEOS to consider ways to collect food or donate dollars to your community Food Banks. Reach out to neighbours who may need help obtaining food, be a Snow Angel and shovel someone's walkway, keep in contact with your fellow Lions and LEOS. Ensure we all stay safe and continue to make a difference.

It is important that we all remain strong and positive. I ask you all to remember why you agreed to be a Lion. To make a difference, to serve, you are a Lion and proud.

2021 is fast approaching. This will be an important year for all of us with positive change coming throughout the world.

I would like to Thank all of you for all that you do and all that we have accomplished together as Lions.

May you and your families have a festive and safe Holiday Season.

*Merry Christmas, Lion Tyler Bray / MDC Council Chair*

## REPORTABLE SERVICE ACTIVITIES

What a pleasure it's been going on MyLion and seeing all the projects and activities clubs in the Multiple District have been completing, and reporting over the past couple of months. Thank you for staying active, engaged and serving your community. I'm still hearing some clubs aren't reporting on MyLion because they say they aren't active. So, I've put together a list of Lions activities that ARE reportable on MyLion and are likely happening to some degree in your club every month.

### Secretary Admin Duties i.e.

### Meetings i.e.

### Community Assistance i.e.

Community Partners i.e. Chamber of Commerce, Town Council, FCSS, Fire Department, RCMP, Schools, (Project Pride, Peace Poster, Lions Quest, Lions Legacy Scholarships) Hospitals, 4-H Clubs, other Service Groups, local Dealerships, Grocery Stores, Shopping Centres, Seniors Centres, Food Banks, Salvation Army, Red Cross, CNIB, etc. (any communication with or meetings attended where your club would partner for a community event)

### Community Activities i.e.

### Lions Events i.e.

USA/CANADA Forum attendance, International Convention attendance, District Convention attendance, Multiple District Convention attendance, Club Visitations, new club or charter anniversary, etc.

I've probably missed a ton of projects and activities your clubs are involved with, but, you get the picture.

Almost everything you do as a Lion is reportable service. Now it's up to the clubs to make sure they report their service on MyLion. It's a Lions Clubs International requirement, and I know all Lions tasked with the duty of reporting will fulfill the obligations of their position.

I'd like to wish everyone a very Merry Christmas, hopefully with loved ones close by. May the New Year bring us fewer challenges, more fellowship, more kindness and more Service.

*Lion Dave Leshchyshyn, Multiple District C Service Co-ordinator*

## BLINDMAN VALLEY LIONS CLUB

The Blindman

Valley Lions Club has been keeping busy and enjoying this mild start to our winter season. We have helped out at the Bentley Ag societies Halloween car Bingo event. This was a great social distance activity for all and we had a lot of fun helping and seeing the creativity with costumes.

We gave a helping hand to the Bluffton Chamber of Commerce. They had a sign knocked down at their park which requires a new post dug in and cemented. We did this the old fashioned way with post hole augers. So once again their sign is up and on display.

We got approached to help decorate Paskapoo Historical Park. We gathered up our extra decorations and members donated a couple of new ones. Together we decorated the beautiful bridge they have over the pond. Hoping this will be an ongoing event for us year after year. If you are around Rimbey stop in and take a walk thru the park. It has been transformed into a Christmas wonderland.

# HAPPY HOLIDAYS

We are excited to announce a special opportunity! Thanks to the generosity of Dr. Don and Joyce Hilton,

**your donation will be doubled!**

(up to a maximum of \$50,000 by December 31, 2020)

*"Some years ago whilst travelling, Joyce and I were touched by a stranger's generous unheralded assistance. His reply to us was simply, "We are all here to help each other". These days how applicable are those words for all of us. My first encounter with Dog Guides was meeting Hudson, a Service Dog Guide who had been trained to assist my patient Rod. Although Rod relies on a wheelchair, he is able to live independently with the invaluable assistance of each of his Dog Guides. It is our pleasure to encourage more people to help provide Dog Guides."*

Dr. Don and Joyce Hilton from B.C. with retired Dog Guide Chilli

A Dog Guide is truly a **priceless gift of independence**. Each one costs approximately \$25,000 to raise, train and partner with its new handler yet they are provided at no cost. This is only possible with the support of many and for this we thank you.

To take advantage of this opportunity to have your gift matched,  
please give today at [www.dogguides.com/donate](http://www.dogguides.com/donate), by mail or  
call us at 1.800.768.3030, Ext. 0.

It's the perfect time to consider a monthly donation, which helps us budget  
and sustain us during these times of uncertainty. For as little as \$10 a  
month, you can make a difference and your donation  
will go a long way to benefit others.

**Assisting Canadians with a physical or medical disability by  
providing Dog Guides at no cost.**
