LIONS IN ACTION

LIONS CLUB OF MORINVILLE

The Lions Club of Morinville held the first day of their two day event on Sat.28 May.

The petvalu Walk for Dog Guides was held at the Fish & Game pond with \$1000 raised on the first day.

Assisting with the walk on Saturday was Morinville petvalu Assistant Manager Brittany Schaefer.

First to arrive for the walk was Fred Malott of the Legal Lions Club with his Husky named Rider, Jessica Chapman of the Legal Lions Club with Sam- a Lab mix, and Stephanie Ma.

ST ALBERT HOST LIONS CLUB

A very Seedful, Plantful, and Hopefully
Fruitful venture Sunday May 15

The event was the Seed and Plant swap on the grounds of Lois Hole School. Social media coverage brought many people to the event. For St. Albert Host Lions it was a partnering with Lacombe Park Community Gardens and Backyard Gardens, Lois Hole School student gardens, the Seed library, the Plant Sunflowers - standing up for Ukraine Group from Newcomers Centre and more.

St. Albert Host Lions - environment cause awareness of tree planting - gardening - pollinator flower planting, giving out seeds of cosmos and seeds and plants of basil both symbolic of peace and awareness of fostering peace through the understanding of others

Truly a Lions service project - being visible in community - networking - community building and recruiting at the same time.

A lady came up to our table and said "I want to join the Lions - I know what Lions do in my country of Sir Lanka".

ENVIRONMENT

Protect environmental health globally, generating positive ecological and humanitarian impact

Dear Lions,

Congratulations on receiving a grant from Lions Clubs International Foundation (LCIF) for your service project.

Since 1968, LCIF has awarded more than 16,000 grants totaling US\$1.1 billion to help Lions like you improve health and well-being, strengthen communities, and protect the most vulnerable among us. Like those thousands of grants, yours was made possible entirely by financial support from Lions, their clubs, and friends of LCIF. These donors and I thank you for being responsible stewards of LCIF funds and look forward to learning of your project outcomes.

As you know, LCIF – your foundation – is in the midst of *Campaign 100: LCIF Empowering Service*. To continue to grant worthy projects such as yours, we need your help to reach our goal of raising US\$300 million so you and Lions globally can increase service impact in vision, youth, disaster relief, and humanitarian efforts; fight the global epidemic of diabetes; and make meaningful progress in childhood cancer, hunger, and the environment. Funds raised also ensure we can respond rapidly during extreme crises, like our global pandemic. Learn more at lionsclubs.org/campaign100.

Whether your project takes place over a day, a week, a month, or years, thank you for reporting your progress along the way. Also, share related stories, pictures, and even brief videos with LCIF, on social media, and with your local newspaper. I'm confident the much-needed change you're creating will be a great source of comfort and hope for your community.

Once again, all the best as you embark on your project.

Sincerely,

Jung-Yul Choi
