**Date:** January 2025

Dear Lions Members,

I would like to begin by wishing everyone a Happy New Year! I hope this year brings health, happiness, and success to each of you and your families.

This past month has been both eventful and rewarding. I have had the pleasure of attending numerous club meetings, where I was able to engage with members and participate in club activities. Additionally, I had the privilege of conducting several inductions, welcoming new members to our Lions family. It is always inspiring to see our community grow and to witness the enthusiasm of those who are joining us in our mission to serve.

I also had the opportunity to attend the *Just Ask Training Course* in Fort Saskatchewan, which was the first of the year. This course focused on strategies to increase membership, and I'm pleased to report that it was both well-attended and incredibly informative. The session was relaxed, interactive, and offered valuable insights into how we can strengthen and expand our Lions clubs. I'd like to extend a special thanks to the trainers for their dedication and for making the session such a success. If you missed this one, don't worry – another course will be held in Red Deer soon, so I encourage everyone to attend.

Another highlight of the month was my attendance at Justice Brian Stevenson's retirement party in Calgary. Over 120 people gathered to celebrate his remarkable career and contributions. A particularly special moment was when Justice Stevenson, a true gentleman, surprised everyone by singing a song! It was a fun and heartfelt occasion, and I'm grateful to have been part of it.

As we move forward into the new year, I encourage all of us to continue our work with dedication and passion. Together, we are making a significant impact on our communities and beyond.

Thank you for your continued service and support.

Yours in Service,  
Lyle Gustafson

# NOTICE TO ALL CLUBS IN MD C

Council has been advised that some Clubs are improperly using public funds in violation of the policies of Lions Clubs International.

Some of this misuse may have arisen because of advice received from Alberta Gaming that permits deductions from the proceeds of casinos. Lions Clubs International's policies permits " the only deductions that may be made from the activity account are the direct operating expenses of the fundraising activity".

In our Lions Clubs Standard Club Constitution and By-Laws, Article XI - Club Funds, Sections 1 and 2 Clubs are required to return all funds raised from the public to public use, including money accumulated from invested public funds.

As Lions, where contrary advice is offered to Lions and Lions Clubs, the policies of Lions Clubs International must and do prevail. Otherwise, our reputation as community servants will be lost. Dues and expenses to attend conventions must only come from our Clubs' Administration Accounts.

In addition, the first twelve words in the last paragraph in our Lions International Purposes is clear:

"To encourage service-minded people to serve their community without personal financial reward....."

Please ensure that your Club's fundraising activities comply with this policy of Lions Clubs International.

Thank you.

## A Letter from your Lions Liaison

I often take my sight for granted. From the moment I wake up to the moment I go to sleep, I rely on my vision for almost everything. I can walk freely, without fear or worry, thanks to my sight.

One of my earliest experiences at Dog Guides was the Canine Vision Challenge. Blindfolded and guided by a Dog Guide in training, I navigated an obstacle course. Though brief, the experience was profound. I felt a mix of discomfort and trust, relying on the Dog Guide to keep me safe. And they did.

Take a moment to consider the simple things you do without thinking. For someone with a visual impairment, these tasks can be challenging. A Dog Guide can make a significant difference, providing independence and confidence.

## STONY PLAIN LIONS CLUB

The Stony Plain Lions Club again participated in Family Fest on New Years Eve in Stony Plain.

The Club donates funds and manpower to help put on the event.

We start prep work December 30, then starting in the afternoon on New Years Eve, reheating the patties, assembling the burgers and cooking hot dogs – more than enough to feed 1500 people.

The service table had members serving the food and sides of potato chips and other snacks, along with water for the guests.

As well there were 2 Lions mascots handing out candy canes and 1 member collecting donations for the Parkland Food Bank.

## From the Town of Stony Plain

Family Fest is back! Ring in the New Year in Stony Plain with the return of the family-friendly evening of festivities on December 31.

Community members are invited to celebrate New Year's Eve with their neighbours at Heritage Park. The event will feature sleighrides (weather permitting), skating, face painting, a family dance, bonfires, BBQ, popcorn, hot cocoa, and a firework show at 9 p.m. to close the evening. Activities will run from 6 p.m. to 9 p.m. with the exception of sleighrides packing up at 8:45 p.m.

“Being able to provide free events to the community is integral to fostering community spirit, and Family Fest has always been a holiday favourite in Stony Plain. The evening is a wonderful opportunity to come together with your friends, family, and neighbours to celebrate the new year,” says Mayor William Choy.

“We are really excited to bring Family Fest back to the community. The evening brings so much joy to local families and is a fantastic New Year's Eve night out with something for everyone,” says Event Coordinator Tevra Graham. “In addition to being great fun, Family Fest has also supported the Parkland Food Bank with donations brought in by the community. It is wonderful to see everyone come together not only to celebrate, but to also take care of one another.”

# THE LIONS CLUB of RADWAY

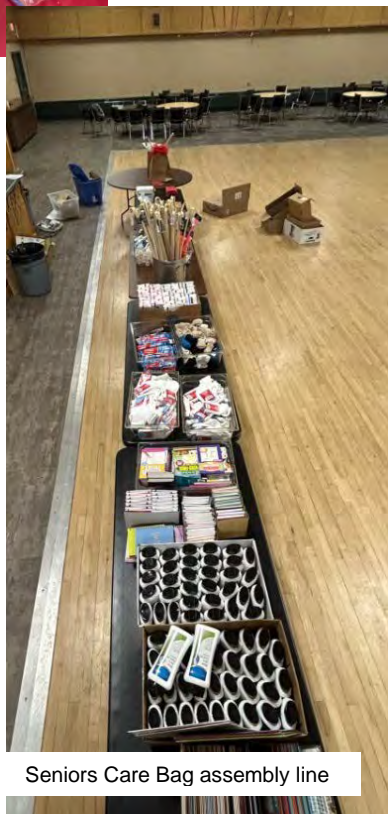

Two Very Special Guests sharing a giggle

November and December were busy and impactful months for the Lions Club of Radway. On November 29th, Santa visited Radway's Annual Christmas Market, spreading holiday cheer to children and the young at heart. He took time to listen to each visitor's stories and Christmas wishes before sending them off with a treat bag full of goodies. While the children waited, they enjoyed coloring, making reindeer food, and creating festive crafts.

Next, our members successfully secured sponsorship for our Seniors Stocking Care Packages project. This year, we were proud to gift care packages to 100 residents in the Radway Continuing Care Centre, Thorhild Lodge, and self-contained units in Radway, Thorhild, and Newbrook.

On delivery day, our Club President made a special visit to show our ongoing support for Thorhild County's Christmas Hamper Program. This year we proudly, provided 88 households with vouchers to help them obtain a turkey or ham for their Christmas dinner.

What a fun day at Maclab Theatre's family show (Leduc). Working with the RCACS 831 Squadron, we created hopscotch and the kids attending earned a donation to the cadets to add to our Lions Club donation for a total of \$1300. Fun was had by all and thank you to Maclab for hosting our event and to our Lions volunteers.

## In Memoriam

Dear Fellow Lions,

It is with heartfelt sadness that I share the news of PDG Roger Kozma's passing on December 25, 2024.

Roger joined Lions International in 1996 and dedicated over two decades to our mission of service. His efforts made a profound impact on Lions Clubs in Edmonton and surrounding communities, where he generously shared his time and talents to support and rebuild struggling memberships. His contributions to the Lions family will be fondly remembered and deeply missed.

Roger's wife, PDG and Edmonton Host Lions Club member Terry Kozma, has shared that, per Roger's wishes, there will not be a memorial service. Instead, those who wish to honour Roger's memory and his service to the community are encouraged to donate to one of the following organizations:

- **Lions Foundation of Canada Dog Guides – The Difference Campaign**

- **Lions Club International Foundation**

- **Alberta SPCA**

Let us remember Roger for his unwavering commitment to the Lions' motto, *We Serve*, and keep Terry and their family in our thoughts during this difficult time.
